ORLANDO SCIENCE CENTER

JANUARY 12 - 15, 2018

What is Otronicon?

Now in its 13th year, Otronicon is an annual celebration of Central Florida's simulation, technology, digital media and gaming industries – and the perfect vehicle to engage people of all ages with hands-on exploration of cutting edge technology that is changing our world. Exhibits, demonstrations, workshops, panels, competitions and much more take over the Orlando Science Center for four days; connecting audiences with the STEM experts and innovation that is driving the future. More than 14,000 visitors of all ages are expected to attend this year's event including families, teachers, middle and high school students.

Why partner with Orlando Science Center at Otronicon?

- Highlight and support STEM (science, technology, education and math) education in Central Florida
- Expose students and teachers to career paths vital to our community
- Promote the strengths of STEM industries like simulation and digital media in Central Florida
- Attract earned media coverage and marketing opportunities
